Volunteer to Co-Chair the AggieBudget User Group

The AggieBudget User Group is off to a great start, but we want this group to be your group. We want the group members to help ensure that the content and discussions are relevant to the AggieBudget user group community, so we are seeking a volunteer to act as a co-chair with Budget and Institutional Analysis staff.

The co-chair will have the opportunity to provide leadership, facilitate group discussions, and make an impact on the success of AggieBudget at UC Davis.

Requirements

- One year commitment to act as co-chair
- Meet with AggieBudget team members 2 – 3 times per month to plan AggieBudget User Group Meetings. Approximate time commitment is 5 – 10 hours per month.
- Lead or participate in AggieBudget User Group discussions
- Help develop user generated content and topics for the AggieBudget User Group meetings
- Support from your direct supervisor

If you are interested in volunteering, please email Tiffany Wright at tywright@ucdavis.edu by Friday, August 17, 2018.
